Dear Brother Chalk:

I came to the office tonight to write you a short letter to express our appreciation for your and Sister Chalk's financial support, and to acknowledge your check for \$10.00 to support an orphan in Viet Nam.

As I opened the mail, I found two letters from you. Let me say first of all that it was a genuine pleasure to have you in our meeting in Memphis March 28. I am grateful for the many fine comments made by you, and certainly we are grateful for your interest in this great undertaking. And we certainly appreciate your concern about Brother Hall's feeling on this matter, as well as the Berclair elders. I want to assure you that we will do everything that we can to have a complete understanding with Brother Hall, and I believe we have already closed any gap that may have appeared between us and the Berclair elders. They will be visiting us here at Royal Oak on the week-end of April 17, and be in a meeting with us and Brother Hall. We are looking forward to this.

In our conversation with them yesterday, they seemed to be quite concerned because of Brother Hall's lack of co-operation. Let me assure you that we will go the second and third mile to bring about a harmonious relationship with all concerned.

I might say we had a phone call from Brother Ruel Lemmons about this undertaking, and of course he tried to discourage us.

Thanks again,

Fraternally yours,

E. R. Daniel
